There are needs that were not addressed and we request that the Legislature consider the following:

demands, expanding access to tutoring and counseling services, and providing essential resources such as laptops, textbooks, and instructional materials. Additionally, there is a critical need to improve access to mental health services and implement targeted programming that equips students with the skills,

**Increase Office of Professions Appropriation (Special Revenue not General Fund)**

Increase the annual spending authority of the Office of the Professions' special revenue fund 22051 (OP Base Budget) to support the permanent/long-term costs associated with OP Modernization. (Three FTEs, \$604,608; Nonpersonal service \$1,000,000. Total:

support must migrate in-house for us to realize the savings offered through low-code technology solutions. This team will support the Department's Low-Code initiative through standardization of cloud technology assets and a scalable cloud document storage plan. This will also support the SLDS implementation, since the SLDS will be a cloud-based system.

celebrations, underscoring the Museum's vital role as an educational and cultural cornerstone for New Yorkers.

This February, we will introduce a new initiative featuring weekday, family-friendly programming—happening every single weekday—designed to provide fresh, engaging experiences that deepen connections to New York's vibrant history and culture.

Looking ahead, the Museum will soon embark on a national search for its next Director, led by a former Director of the Smithsonian's National Museum of American History. This search will ensure we identify a visionary leader to guide the Museum into its next era of excellence.

We remain dedicated to our mission and invite lawmakers, stakeholders, and external partners to visit and witness firsthand the transformative work being done to preserve ( de)3t(A
