

NYS 21CCLC

Budget Amendment (FS-10-A)

Introduction & Overview

This document describes the procedures for submitting a budget amendment. If a program director decides the budget approved in the current fiscal gar requires a revision, the can prepare a budget amendment.

A budget amendment mayonlybe submitted after the FS -10 is approved and before the FS-10-F is submitted. Programs with grant contracts must wait until the contract is fullyeecuted before submitting budget amendments. Programs who submit a Request to Increase Indirect Cost Rate (FS-87R) to the Office of Grants Finance and receive an approval letter maysubmit a budget amendment along with their approval letter to the Program Office at anytime.

Depending on the type of revision to the approved budget, a program modification mayalso be required. Program modifications must be approved **before** a budget amendment can be approved. See

DEFINITIONS

Partner: An individual, agencyorganiation, or other entity that provides products or services to the program and **is involved**

Minor remodeling

- Any increase in a budget subtotal (professional salaries, purchased services, travel, etc.) by more than 10 percent or \$1,000, whichever is greater
- ✓ Anyincrease in t he total budget amount
- Adding or removing a partner or vendor (required)

- Subtotal Increase/Decrease. Applicants can use both or just one.
 - If a change is happening in onlyone categoryboth boxes must be used to show money's being reallocated but that the Net in/decrease remains \$0. For example, under Profe

• When submitting the request, applicants will be asked to select

- Denied with an eplanation. If the budget amendment requires a program modification, the applicant will be prompted to submit the program modification before NYSED will review the budget amendment.
- NYSED Review Process. After an application has been completed, it cannot be edited until it is reviewed byNYSED. Once reviewed NYSED program staff will send the application back for editing. Applicants can then make edits and changes to their program modification and/or budget amendment, as well as reupload documents and forms. NYSED mayrequest additional information and documents after submission. After a program edits their application it is resubmitted and will not be available again until NYSED program staff allow for it to be edited again.
- In alignment with <u>Records Retention Policy</u>, a subgrantee should maintain all approved NYSED program modifications and budget amendments for the duration of the grant.
- If gu are having technical difficulties with the SMA platform, **please use the support function** within the SurveyMonkeyApplyPortal.
