### New York State Education Department Assurance of Multiple Day Administration of State Assessments

#### INSTRUCTIONS

Use the attached Assurance of Multiple Day Administration of State Assessments (Attachment A) form for each student in the school district who will receive multiple day administration of State assessments consistent with the student's IEP or 504 plan. This assurance should be submitted to the Department as soon as possible after the student is recommended for multiple day test administration to ensure that the provision of this accommodation is authorized prior to the State assessment administration period in which the student will receive this accommodation (March through June for elementary/intermediate assessments or January, June or August for high school level examinations). This form must also include the name and signature of the school's Chief School Officer (or his/her designee). This assurance, along with Department authorization to administer State assessments over multiple days, will apply to all subsequent State assessment periods for which the student is enrolled in this school district, provided multiple day testing is recommended in the student's IEP or 504 plan. A copy of the signed assurance and Department Authorization must be retained in the student's education record for purposes of data collection and/or monitoring. Completed (pl)16(et)
